The We Dared Initiative Daring Men to Be Different

A ministry of *New Life Ministries* and *Every Man's Battle*, **We Dared** is a 30-Day Challenge for men to starve their eyes from the sexual images that culture bombards them with multiple times a day. As followers of Christ, men need to fight back and show the world around them that they are different. We are challenging men to "dare to be different" for 30 days and to live out the difference that's already in their heart. After the 30-Day Challenge we offer additional resources for men to stay on the path of sexual integrity.

- Daring men to a life of sexual integrity
- Daring men to make a covenant with their eyes.
- Daring men to "starve their eyes" for 30 days
- Receiving daily support for 30 days
- Challenging men to dare their men's group and church

We want YOU to take the dare!

Please visit www.WeDared.com for complete information about the campaign.
